Berry Plants, Grape Vines, Flower Bulbs Shrubs *and* Roses

For Spring 1924

H. W. JENKINS

Phone 72 :: P. O. Box 237

BOONVILLE, MO.

GOOD WILL

GOOD will is a valuable asset to any man's business, for without it a man won't continue in business very long. The good will of my customers is something I want as well as their cash in advance. For without it there will be no come back orders for more plants either from yourself or your neighbor.

To gain your good will means on my part, plants that have been well grown, dug and packed, also prompt service. To be enabled to do this calls for the very best up to date methods which my 35 years of experience have taught me. But I have no ambition to build up a reputation as the cheapest man in the plant business. Neither do I want to be known as the man who wants two prices for everything he sells. But I do want to be known as one of the very best and most reliable plant growers in Missouri who it is safe to do business with. Remember I am selling **Plants**, but not highly colored exaggerated pictures calculated to deceive the very elect.

Your orders are solicited on the following

TERMS

Cash with order or satisfactory references. When you have received your order and examined it and if it is not satisfactory, repack, prepay charges, and return at once and your money will be refunded.

After plants are accepted they are yours. I assume no responsibility for failures over which I have no control. But on proof of same will replace free of charge any plants that don't prove true to name.

All transportation charges prepaid. A contract fair to both parties.

Ready to Serve You

H. W. Jenkins,
Boonville, Mo.

STRAWBERRIES

This is the one berry grown from Maine to California and from Florida to Winnipeg, Canada, under all kinds of climate and on all kinds of soils. But a certain variety may do well and be a success in one place or locality and a failure in another. The descriptions here are as I find them at Boonville.

The list of varieties offered is a short one but the ones that will produce the berries. Varieties marked (P) are Pistillate or female plants. Those marked (S) are Staminate or male plants. All pistillate varieties require staminate plants near to pollenize the bloom. At least one-third of each bed should be staminate varieties. All plants offered are new plants that never have fruited.

Varieties

BUBACH (P)—Plant a vigorous strong grower. Makes a large plant but not many of them. Berries rough in shape. A good home berry but too soft for handling and shipping. Only a few plants to offer.

	Per 25	100	1000
Price	\$0.50	\$1.00

R E T A I L P R I C E L I S T

WARFIELD (P)—Plant medium sized, a fast grower that produces lots of new plants; is very productive of medium sized berries, smooth conical dark red berries of fine flavor. Ripens early and picks a long time.

	Per 25	100	1000
Price	\$0.30	\$1.00	\$6.00

HAVERLAND (P)—Plant stocky and healthy but requires good soil and good care, is wonderfully productive. Sets so many berries the fruit stalks cannot hold them up off the ground. For this reason in wet seasons it rots badly. Berries are long pointed well colored and smooth; a fine all round variety that requires good care. It won't stand abuse.

	Per 25	100	1000
Price	\$0 50	\$1.00	\$7.50

SENATOR DUNLAP (S)—A strong vigorous grower; makes lots of plants and will stand more drought and hard knocks than other variety. Is a strong staminate and good fertilizer; is very productive of large, well shaped, highly colored berries. A popular variety; sells more plants of Dunlap than any other two varieties combined.

	Per 25	100	1000
Price	\$0.30	\$1.00	\$6.00

AROMA (S)—Plant stocky and healthy; a fine plant. Berries are large, smooth and conical in shape, well colored and ripen late. This is the great shipping berry of south Missouri. With me only moderately productive.

	Per 25	100	1000
Price	\$0.30	\$1.00	\$7.50

AROMA PLANTS (Special)—100,000 new plants grown on new ground at Carthage, Mo. Price per 1000 on application. Address M. D. Jenkins, 1701 S. River St., Carthage, Mo.

GANDY (S)—Plant healthy and vigorous grower; makes lots of plants but not as well rooted as some others; has large strong

fruit stalks that hold the berries up off the ground. Berries are large, firm and, when fully ripe, highly colored. They are of most excellent flavor and one of the handsomest berries grown. Only moderately productive; its only weak point. Ripens late, after others have gone.

	Per 25	100	1000
Price	\$0.40	\$1.00	\$7.50

Note—All strawberries tied in bunches of 25. Won't break bunches. All plants are packed in moss.

RASPBERRIES

The raspberry follows the strawberry in close succession in ripening and is a berry of high quality.

CUMBERLAND—This was called the "Business Black Cap" by the Introducer and makes good the claims made for it. Good tip plants.

	Per 25	100	1000
Price	\$1.00	\$3.00	\$20.00

ST. REGIS—A red variety which is hardy and productive of medium sized berries. Sold as an everbearing variety; with me the second crop is of little value. Sucker plants.

	Per 25	100	1000
Price	\$1.00	\$3.00	\$20.00

KANSAS—This is a standard early variety, jet black that ripens its crop all in a few days. Canes are hardy and vigorous.

	Per 25	100	1000
Price	\$1.00	\$3.00	\$20.00

GREGG—This is the best late black raspberry. Fruit is large.

	Per 25	100	1000
Price	\$1.00	\$3.50	\$25.00

BLACKBERRIES

SNYDER—Canes are hardly ever winter killed. Not much affected by red rust. Is productive of medium sized berries.

	Per 25	100	1000
Price	\$1.00	\$3.00	\$25.00

R E T A I L P R I C E L I S T

EARLY HARVEST—Canes are small and bunchy, hardy and productive of medium sized berries. Always ripe at wheat harvest.

	Per 25	100	1000
Price	\$1.00	\$3.00	\$25.00

ELDORADO—Berries large; no hard core, and are easily picked. Not as productive as Snyder or Early Harvest, but size and quality make them more than good. Best all-round berry I ever had.

	Per 25	100	1000
Price	\$1.25	\$4.00	\$30.00

The prices quoted in this list mean exactly what your plants will cost you delivered either at your mail box or express office.

GOOSEBERRIES

DOWNING—A stocky growing variety moderately productive of large berries.

	Each 10
Price, 2 year plants.....	\$0.25 \$2.00

HOUGHTON—A fast vigorous growing variety, very productive; seldom fails to produce a crop. Medium sized berries.

	Each 10
Price, 2 year plants	\$0.25 \$2.00

CURRANTS

The finest of all berries for jellies and also make excellent pies when green.

WILDER—A fine vigorous grower; a large red variety.

	Each 10
Price 2 year	\$0.25 \$2.00

PERFECTION—Claimed to be the largest and best red variety grown.

	Each 10
Price per 2 year	\$0.30 \$2.50

GARDEN ROOTS

A bed of asparagus and rhubarb will furnish your table with appetizing dishes of good food early in the spring before the berries ripen.

LINNEUS—Rhubarb, 2 year roots.

	Each	10	100
Price	\$0.15	\$1.25	\$10.00

LINNEUS—Rhubarb, 1 year roots.

Price	\$0.12	\$1.00	\$7.50
-------------	--------	--------	--------

CONOVER'S—Asparagus, 2 year roots

	25	100	1000
Price	\$0.50	\$1.50

GIANT ARGENTEUL—1 year roots.

	25	100	1000
Price	\$0.35	\$1.00	\$7.50

WASHINGTON NEW RUST PROOF—Highly recommended by U. S. Agricultural Department at Washington. 1 year roots.

	Per	25	100	1000
Price	\$0.75	\$2.00	\$15.00	

A good article of any thing costs more than an inferior one. Beware of the man who offers you something for nothing.

GRAPE VINES

We are making a specialty on Grape Vines grown from cuttings taken from our own vineyard. Vines were dug with a tractor and tree digger so are taken up with practically all the roots. They are graded into two grades, No. 1 and 2. Advise planting the one year vines. They handle and grow off better.

Note—Have won First Premium on best collection of grapes at Missouri State Fair four years in succession, 1920, 1921, 1922 and 1923.

MOORE'S EARLY—A large black grape Ripens ten days ahead of the Concord.

	Each	10	100
Price per 2 year No. 1 ..	\$0.20	\$1.50	\$12.50
Price per 1 year No. 1 ..	0.15	1.25	10.00
Price per 1 year No. 2 ..	0.10	1.00	8.00

R E T A I L P R I C E L I S T

WORDEN—A vigorous growing vine, very productive of large well shouldered bunches of most excellent flavor. Ripens ahead of the Concord. Is one of the finest and best black grapes grown.

	Each	10	100
Price per 2 year No. 1 ..	\$0.20	\$1.50	\$12.50
Price per 1 year No. 1 ..	.15	1.25	10.00
Price per 1 year No. 2 ..	.10	1.00	8.00

BRIGHTON—A fast grower; moderately productive of large bunches. The sweetest and best red table grape known.

	Each	10	100
Price per 2 year No. 1 ..	\$0.20	\$1.50	\$12.50
Price per 1 year No. 1 ..	.15	1.25	10.00
Price per 1 year No. 2 ..	.15	1.00	8.00

GOETHE—A rampant grower; moderately productive, of large wine colored grapes that ripen after others are gone. Fine flavor.

	Each	10	100
Price per 2 year No. 1 ..	\$0.20	\$1.50	\$12.50

NIAGARA—A vigorous grower, productive of large bunches of cream colored grapes. The best white variety.

	Each	10	100
Price per 1 year No. 1 ..	\$0.20	\$1.50	\$12.50
Price per 1 year No. 2 ..	.15	1.25	10.00

CONCORD—This is the old reliable black so well known that it needs no description. More Concord vines are sold and planted than all others combined.

	Each	10	100
Price per 2 year No. 1 ..	\$0.20	\$1.50	\$10.00
Price per 1 year No. 1 ..	.15	1.25	8.00
Price per 1 year No. 2 ..	.10	1.00	6.00

CAMPBELL EARLY—A large black variety that produces very large compact bunches. Ripens with Moore's Early, but a much better grape.

	Each	10	100
Price per 1 year No. 1 ..	\$0.25	\$2.00
Price per 1 year No. 2 ..	.15	1.25

CATAWBA—A late red grape. Famous for the wine it makes.

	Each	10	100
Price per 1 year No. 2 ..	\$0.20	\$1.50	\$10.00
Price per 1 year No. 3 ..	.15	1.25	8.00

ROSES

“the Queen of Flowers”. The roses offered were grown in California near Los Angeles. They are desert climate field grown plants on their own roots (not budded) and are vigorous plants that will bloom this year. The very best plants that you can buy. Try them and see.

	Each	10
Price (except as noted).....	\$0.60	\$6.00

MME. CAROLINE TESTOUT (H. T.)—Clear, bright satiny pink. A free bloomer. The rose that made Portland, Ore. famous as the Rose City.

BETTY (H. T.)—Exquisite color, being copper overspread with a beautiful golden yellow. Flowers are very fragrant and large in size. A strong vigorously growing bush. (A native of Ireland).

FRAU KARL DRUSCHI (H. P.)—A vigorous grower, long pointed buds; pure snow white, blooms large. One of the largest and best white roses.

LOS ANGELES (H. T.)—One of the finest American Roses ever introduced. Color luminous flame pink, toned coral, shaded translucent, gold at base of petals, fragrant flowers on strong stems.

Each	75c
------------	-----

MISS WILMOT (H. T.)—One of the most refined and charming Roses ever raised. The color is a uniform soft sulphur cream; in shape and form, this Rose is a model of perfection. Every flower perfect and a free bloomer, a Gold Medal Rose.

Each	75c
------------	-----

GEN. McARTHUR (H. T.)—A bright scarlet red rose. A fine bloomer and very fragrant.

R E T A I L P R I C E L I S T

- SUNBURST (H. T.)**—Deep yellow with orange yellow center. Large, full and beautiful. Each75c
- CRIMSON QUEEN (H. T.)**—Strong grower, large flower, color a rich bright velvety crimson. Always in bloom.

CLIMBING ROSES

- CLIMBING AMERICAN BEAUTY**—Heavy, strong grower; hardy everywhere. Color rich red passing to orange. Price, each.....75c
- CRIMSON RAMBLER**—A popular well known rose. Needs no description. Price, each.....50c
- CLIMBING SUNBURST**—A strong vigorous grower. The flower is the same as on the bush form. Price, each.....75c
- These three climbing roses are good ones.

A high price paid for a tree or plant will not make it bear fruit true to name if wrongly labeled by a dishonest man. Neither will a dirt cheap price be any indication that you have a bargain if your plants are half dead when received.

FLOWER BULBS

PEONIES

- FESTIVA MAXIMA**—The finest white variety. Flowers are large and beautiful. Pure white with occasionally a small spot of red in center. Strong roots. Each 10
- Price\$0.50 \$4.00

DAHLIAS

We are making a speciality of growing Dahlias and at the Cooper County Round-Up, 1923, our display of cut flowers was much admired and won all the premiums offered.

- WM. AGNEW**—A deep red extra fine profuse bloomer. Each 10 100
- Price\$0.15 \$1.00 \$8.00
- KRIEMHILDE**—A pink cactus variety that blooms late. Is a peculiar shaped flower and

- a pretty one. Attracts attention wherever shown.
Each 10 100
Price\$0.15 \$1.00 \$8.00
- C. W. BRUTON**—A strong growing variety with large yellow flowers. A late bloomer and very fine.
Each 10 100
Price\$0.25 \$2.00
- FLORA DORA**—A very deep dark red cactus variety; a profuse bloomer. This Dahlia won First Premium on best cactus variety at Missouri State Fair, 1922.
Each 10 100
Price\$0.20 \$1.50 \$10.00

Special New Varieties

- MINA BURGLE**—Deep glowing crimson, blooms profusely from early till frost. Large flowers on long stems. One of the very best crimson Dahlias. Finest red.
Each 10 100
Price\$0.35 \$3.00
- SOUV. DE GUSTAV DOAZON** — Beautiful orange-red of gigantic size. This is the largest flowering Dahlia in the world. Full to the center and often measuring eight or nine inches across and can be forced to twelve inches in diameter. Plant is tall and vigorous, long stiff stems, one of the best.
Each 10 100
Price\$0.35 \$3.00
- A. D. LIVONI**—Free bloomer, clear pink, beautifully quilled and of perfect form. An old favorite, but still a leader.
Each 10 100
Price\$0.25 \$2.00
- KALIF**—A hybrid cactus type, gigantic in size, frequently measuring nine inches in diameter, yet without any stiffness or formality. Its color is pure scarlet and flowers are produced very freely on long stiff stems, making it a good Dahlia for cutting or for garden decoration. Kalif should be in your collection to make it complete. Each 10 100
Price\$0.50

FLOWERS

I am not a professional florist but in connection with my berries do grow some flowers for adornment of my home as well as to perpetuate the memory of a Mother who loved flowers and took so much pleasure in working in her flower garden each year.

Gladioli

This is an easy flower to grow and a beautiful one. Nothing finer for flowers.

AMERICA —The finest of all Gladioli. Large white and pink flowers.	Each	10	100
Price		\$0.10	\$0.75 \$5.00

BRENCHLEYNSIS —Bright, scarlet-red.			
	Each	10	100
Price	\$0.10	\$0.60
Gladioli mixed, all colors..	\$0.10	\$0.50	\$4.00

Note—Won first premium on vase of 25 spikes of America at Missouri State Fair, 1923, in amateur class.

Cannas

Brighten up your home grounds this year with a bed of Cannas. They are growing in popularity each year. To get best effect do not mix varieties; plant each color to itself. All dormant roots. Varieties offered are the very best in their class.

KING HUMBERT—Bronze foliage, grows three to four feet high. Is a free bloomer and produces large red flowers. Each 10
Price\$0.15 \$1.00

YELLOW HUMBERT—A sport from King Humbert. Green foliage. Is a continual bloomer of the finest yellow flowers. When you have this variety you need no other yellow for it is the whole show. Each 10
Price\$0.20 \$1.50

LOUISIANA—Has green foliage; grows four to six feet high. Is a continual bloomer till frost of very large bright red flowers that make a fine display. Each 10
Price\$0.15 \$1.00

PRESIDENT—Green foliage. Dwarf in growth, only two feet tall. Is a profuse and continual bloomer of very large scarlet-red flowers.

Each 10

Price\$0.20 \$1.50

Special assortment. 12 bulbs for.....\$1.25

ORNAMENTAL SHRUBS

People are planting more shrubbery each year. To Make a home complete it must be planted and adorned with flowers and shrubs. To meet this demand I have added a few ornamental shrubs of the best varieties.

SPIREA ANTHONY WATERER—A dwarf growing variety and a continual bloomer all summer and fall of very small delicate flowers.

Each 10

Price\$0.50

SPIREA VAN HOUTI (or Bridal Wreath)—This is the finest of all spireas.

Each 10

Price, 3 to 4 ft.....\$0.50 \$4.00

HYDRANGEA ARBORESCENS (or Hills of Snow)—A free bloomer that lasts a long long time. A native Ohio shrub.

Each 10

Price, 2 to 3 ft.....\$0.75

HYDRANGEA PANICULATA—Produces very large flowers late in summer.

Each 10

Price, 2 to 3 ft.....\$0.75 \$5.00

BARBERRY THUNBERGII—This is a beautiful shrub either planted single or as a hedge foliage. Hangs on all winter and changes to a red color and bears red berries which also hangs on all winter.

Each 10

Price, 3 yr., 10 to 12 in.....\$0.40 \$3.00

I am interested in your success so with each order will mail plain printed instructions on how to handle plants and cultivate plants, bulbs and shrubs.

TESTIMONIALS

H. W. Jenkins Tipton, Mo. 4-16-23.

Dear Sir—Please ship me the following order at once. The other plants received were the finest plants I ever saw.

P. J. Weber, Post Master.

Note—Mr. Weber formerly was in the nursery business and knows plants.

H. W. Jenkins Cairo, Mo. 4-17-23.

Dear Sir—Received the grape vines and asparagus in good shape. The strawberries came yesterday and I never saw a nicer, healthier plants. Thank you for your promptness and the extras sent. Yours, J. W. Boucher.

H. W. Jenkins Gower, Mo. 5-2-23.

Dear Sir—Strawberries arrived in good shape. W. L. Dawson.

H. W. Jenkins Napton, Mo. 5-2-23.

Dear Sir—Please find enclosed check to pay for the 300 nice strawberry plants sent us by parcel post. Shackelford Bros.

H. W. Jenkins Carthage, Mo. 5-10-23.

Dear Sir—I received the roses O K and they were in excellent condition. Thank you for the very prompt way that you handled my order.

Mrs. M. E. Blosser
1122 S. Garrison St.

H. W. Jenkins Alba, Mo. 1-23-24.

Dear Sir—I want to thank you for the fine lot of blackberry and raspberry plants you sent me last spring, we had a severe drought in August, yet I lost only a few plants out of the 2500. Yours truly, Mary Hayes.

Boonville, Mo. 1-25-24.

To Whom It May Concern:

Having had business relations with H. W. Jenkins for many years we consider him responsible for any contracts he may enter into.

Very truly, B. M. Lester,
President, Boonville Nat'l Bank.

TESTIMONIALS

St. Louis, Mo. 5-14-23

H. W. Jenkins

Dear Sir—Thank you for very prompt service. Two days after they left Boonville I had my plants all planted. Sorry I did not know about you 8 years ago when I started my place.

E. R. Paillou, M. D.

Later—November 19, 1923.

I want to report on the nursery stock you sent me last spring to my country place. The "Glebe" in Jefferson County. The blackberry vines were exceptionally fine. Not one failed to grow. But what pleased me most was those big rooted one-year grape vines. They were so ambitious that I had to remove bunches of grapes from twenty of them within 90 days after planting. No wonder you win the blue ribbons on grapes.

Yours truly,

E. R. Paillou, DeMenil Bldg.

7th and Pine

St. Louis. Mo.

PLANT INSPECTION SERVICE

Certificate No. 109 Columbia, Mo., Oct. 4, 1923

Certificate of Nursery Inspection

This is to certify that in accordance with the Nursery Inspection Act, enacted by the Forty-Seventh General Assembly and approved March 27, 1912, the Nursery Stock of H. W. JENKINS NURSERY, grown at Boonville, Cooper County, Missouri, was inspected on August 11, 1923 by a duly authorized inspector and found apparently free from dangerously injurious insects or plant diseases. Valid until July 1, 1924 unless sooner revoked.
